# GALVIN

AT THE ATHENAEUM

Galvin at The Athenaeum is the hotel's restaurant from Michelin-starred London chefs Chris and Jeff Galvin. For the first time the brothers have stepped away from their trademark French-inspired menus in favour of championing Britain's delicious homegrown produce and supporting independent farmers across the UK. An exciting array of menus include Afternoon Tea and Private Dining, and feature a modern take on classic British dishes combined with Galvin favourites.
