

THE BAR

AT THE ATHENAEUM

Welcome to the Bar at the Athenaeum.

We are delighted to have you in our peaceful hideaway and cannot wait to serve you one of our excellent tipples. We aim to make as many ingredients as possible in house, and we try to use as many sustainably sourced products as possible.

Have a browse of our menu, which is inspired by the incredible history of the Athenaeum, and if you would like to hear some more of the story, we would be delighted to share it with you.

If there is a beverage that you fancy that you can't see on our menu, then please let your bartender know and they will be more than happy to work with you to get you just what you would like.

Belu water is a social enterprise project that we have chosen to partner with as our mineral water supplier. They donate 100% of their net profits to Water Aid (£5,879,155 to date) and we are proud to be part of their 'positive profits' scheme. For every Belu bottle sold at the hotel, we donate 50% of that sale to Belu and their goal of eradicating water poverty.
