ARTISAN TEAS & INFUSIONS

BLACK TEAS

Tregothnan Classic English Breakfast

The first tea grown in England, Tregothnan's Classic English Breakfast is made with tea leaves hand-plucked from beautiful gardens in Cornwall that are blended with the finest Assam. The perfect brew for any time of day.

Afternoon Tea

Light and exotic blend of unique hand-plucked leaves from Tregothnan's Cornish estate with the finest tea from Dajeeling (Tregothnan's twin). Afternoon Tea is delicately refreshing with invigorating citrus notes.

Earl Grey

Named after the 2nd Earl Grey (a previous Prime Minister), this blend of English & Assam tea leaves is scented with the oil of the bergamot citrus fruit. Perfumed and rich, it can be enjoyed with milk or lemon.

Lapsang Souchong

A distinctly smokey tea, it's unique taste is created by carefully withering the leaves over smoking, fragrant Chinese wood, then drying the tea in bamboo baskets over burning pine. Lapsang Souchong is the Marmite of the tea world... but love it or hate it you won't find anything else quite like it.

Lavender Black

Cornish & Assam teas blended with lavender for a light, fragrant and relaxing cup.

EMELYNE'S BLEND

A delightful black tea infused with cherry, notes of caramel, mixed berry fruit and cocoa. This aromatic blend is a perfect pairing with our afternoon tea. Emelyne recommends adding a single sugar and a dash of milk.
